Ships from and sold by SuperBookDealsReviews: Ace the IELTS: IELTS General Module - How to Maximize Your Score (3rd edition) by Simone Braverman This excellent self-study book for intense IELTS preparation in a few weeks is designed to help students achieve their best personal score. Even if English is your first language, you can forget about getting a good score in IELTS, unless you are prepared. Three main problems will get in your way: time, tricks and logical traps. The advice on how to manage your time during the reading test was particularly helpful. watch out, though because some of the information in this book is NOT true. For instance, they tell you that spelling mistakes don't count in the listening part which is just not true/5. I have read target band 7 and some pages of Ace the IELTS. It seems to me very good book. Though tt can not completely transform you to get band 7+ if you do not have a good base but definaly can help you out in achieving good score if you can understand/speak at moderate level. In short if I have to buy any book I will buy it.4/5(1).

NEW! Now includes a full IELTS comply with examine. This excellent self-analysis book for intense IELTS preparation in a lot of weeks is designed to help school college students acquire their biggest personal score.
