A vested interest in real estate means the owner of the property. A vested interest in a pension plan, for example, may mean that the employee is qualified to take the benefits of the pension plan, including the contributions by the employer.

vested interest n. 1. Law A right or title, as to present or future possession of an estate, that can be conveyed to another. 2. A fixed right granted to an employee under a pension plan. 3. A special interest in protecting or promoting that which is to one's own personal advantage. 4. vested interests Those groups that seek to maintain or control an. a special interest in an existing system, arrangement, or institution for particular personal reasons. a permanent right given to an employee under a pension plan. vested interests, the persons, groups, etc., who benefit the most from existing business or financial systems. Vested interest is the lawful right of an individual or entity to gain access to tangible or intangible property such as stocks, bonds, mutual funds and other securities at some point in the future. If you have a vested interest in something, you have a very strong reason for acting in a particular way, for example to protect your money, power, or reputation. Only those with vested interests in the current system could ignore the need for change. Definition of vested interest - a personal reason for involvement in an undertaking or situation, especially an expectation of financial or other gain, an interes.
